**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please keep unbundled AT&T copper lines available, so I can continue having excellent DSL and landline service at lower cost. Since changing from AT&T to Sonic in April 2016, I have:

Saved over \$1,500 in my DSL and landline bills.

Have had the same high quality sound quality that AT&T provided, but without the many telemarketer calls that used to bother me.

More than double my DSL speed, from 6 Mbps to more than 13 Mbps
